TAM MANAGED PORTFOLIO SERVICE

Active Defensive 20 GBP

MONTHLY FACTSHEET | 30 JUNE 2026

INVESTMENT OBJECTIVE

This portfolio comprises a wide range of diversified investment vehicles including unit trusts, mutual funds and exchange traded funds (ETFs), whose managers aim to outperform their respective markets. Active Defensive 20 seeks to generate modest returns higher than cash in the bank over the short to medium term (3 to 5 years or more), with potential for consistent though constrained capital growth.

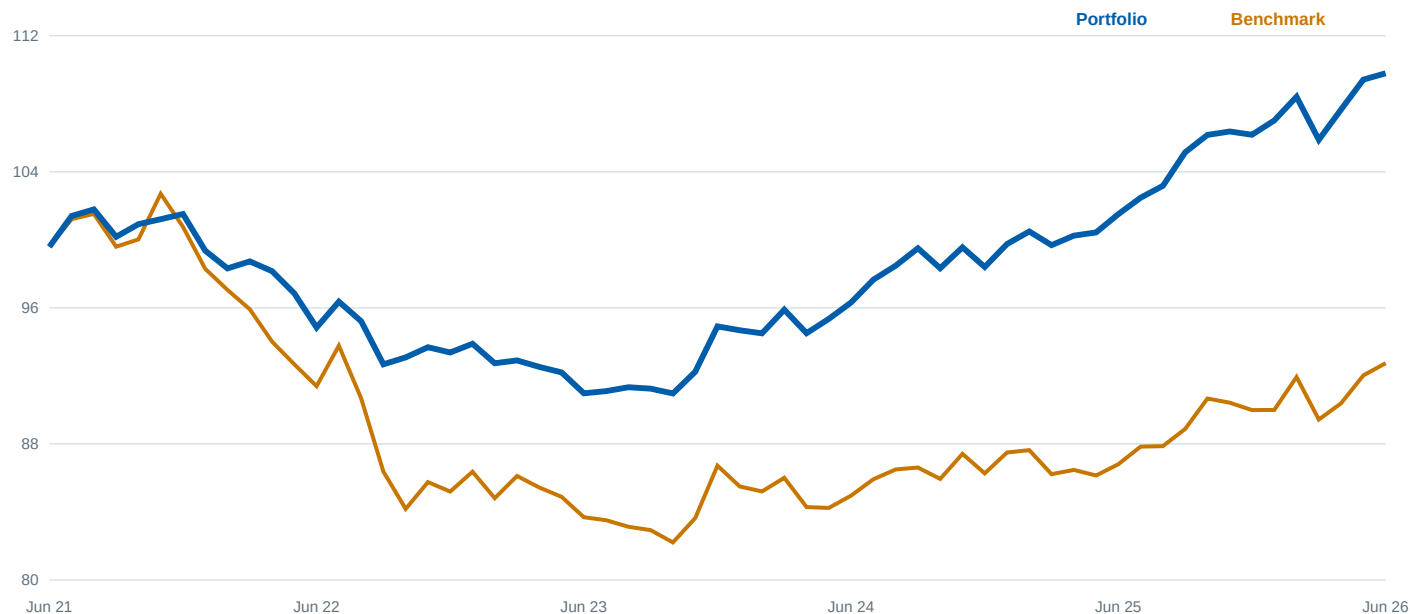

STRATEGIC BENCHMARK

20% Global Equity
80% Global Bond

Past performance is not a reliable indicator of future results. The value of investments and any income from them may fall as well as rise, and investors may receive back less than they invested. This document is for general information only and does not constitute investment, legal or tax advice. Portfolio information may change without notice.
