# Active High Growth 100 GBP

MONTHLY FACTSHEET | 30 JUNE 2026

## INVESTMENT OBJECTIVE

This portfolio comprises a wide range of diversified investment vehicles including unit trusts, mutual funds and exchange traded funds (ETFs), whose managers aim to outperform their respective markets. Active High Growth 100 seeks to generate strong capital growth over the long-term (7 years or more), and can experience potentially frequent and higher levels of volatility than Active Growth.

## STRATEGIC BENCHMARK

100% Global Equity

Past performance is not a reliable indicator of future results. The value of investments and any income from them may fall as well as rise, and investors may receive back less than they invested. This document is for general information only and does not constitute investment, legal or tax advice. Portfolio information may change without notice.
